Graduation Project Topic: the influence of beauty pageants

Issue (Write as a question or use the words *compare/contrast* in the sentence): Does participating in a beauty pageant have a positive influence on individuals?

Rationale for topic selection (books, people, and experiences relevant to topic): I have always been interested in the effects media and society has

Knowledge expected to be gained from research: I expect to learn about the effects a beauty pageant has on individuals.

Detailed description of Product (location, expenses, materials needed, etc.): I will possibly create/organize a beauty pageant, hopefully located in the school's auditorium.

Community Involvement: The beauty pageants will be open to the community to either participate in or watch

Explanation of expected learning stretch: I expect to improve my speaking skills and interpersonal skills.

Parent/Guardian:

The parent should describe why he or she thinks the Research Topic the student has chosen is appropriate for him or her. What does the student already know about the topic? How will this research build on or create new knowledge for the student? Although my daughter has never actually participated in a Beauty Pageant, she has always been interested in the effects that it can have on individuals. This research will help her expand her knowledge and social skills.
